

Ctzencart[™]

SERIES

**Made
for life in
motion**

For semi-automated Type B American grips, Type C European grips and Type G fully automated collection.

IDEAL FOR

- Waste, Recycling & Organic collection
- Residential, Commercial, Industrial and Institutional environments

The Ctzencart series celebrates beauty through functionality, and the power of design.

KEY FEATURES

- IPL's injection process uses high density polyethylene (HDPE) that yields precise design and consistent thicknesses;
- UV stabilized against long-term effects of the sun;
- 100% recyclable;
- Unibody design requires no bolts or holes that could potentially leak;
- Designed for maximum wind stability.

STANDARD COLOURS:

Green 363	Bleu 285	Grey 447
Brown 462	Black 099	

Other colours available upon request. Colours shown may vary slightly from actual product.

Ctzenscart

CERTIFICATIONS

When you choose IPL, you work with a recognized industry leader. IPL was the first plastic injection company to achieve ISO 9001 quality certification in North America. The addition of ISO/TS16949 certification further demonstrates IPL's commitment to quality. These quality initiatives demonstrate our capabilities and know-how.
